Rental Agreement Preamble

The grounds of Iolani Palace are a wahi pana (sacred place) for the Hawaiian people. The historic site was home of the Moi (the royal Hawaiian sovereign) from 1845 to 1893. It contains an important burial ground, an architectural treasure, and a repository of priceless cultural artifacts.

The State of Hawaii holds the grounds in trust as part of the ceded land inventory. Through a lease agreement with the State, the kuleana (responsibility) for the site and its structures is assigned to the Friends of Iolani Palace (“The Friends”). The Friends is a private, non-profit, native Hawaiian organization established in 1966 for the sole purpose of perpetuating the legacy of Iolani Palace. The buildings leased to The Friends by the State of Hawaii are available for public use, provided that Event fees are directed towards Palace operations. The surrounding grounds are managed by State Parks, a division of the Department of Land and Natural Resources (DLNR).

The Friends recognizes the challenge inherent in balancing its commitment to protect and preserve Iolani Palace with the legitimate need to facilitate access for the public. It is the intent of the rental policies set forth by The Friends to hold to the highest standards of preserving the site’s cultural importance and distinctive sense of place by screening all requests to ensure appropriate use of Iolani Palace and its grounds. The Friends reserves the right to deny requests for functions that are not in keeping with its purpose.
